2018(1) SEASON FIXTURES

For the 2018(1) Season, the UQ Tennis Club (UQTC) will run 3 Internal Fixtures (all matches at the UQ Sport Tennis Centre) and enter teams in 1 Brisbane-wide competition conducted by the Brisbane Night Tennis Association Inc. (BNTA). **Matches in BNTA Fixtures are played throughout Brisbane** although, in most grades, many 'away' matches will be played at the UQ Sport Tennis Centre because of the large number of UQ teams. All UQ teams will have a Home court at the UQ Sport Tennis Centre. Fixture completion dates listed below are approximate only. All UQTC Fixtures break for the UQ mid-semester vacation and should finish before UQ examinations begin on 9 June. **BNTA Fixtures do not break for UQ vacations and examinations.**

Competition	Time	Team† (per match)	Sets Played Each	Usual Team Composition#	Entries Close*	Starts	Ends
UQTC Monday Night	7 to 9 pm	2 players (any gender)	1 singles & 1 doubles	3 players	Wednesday 28 February	12 March (10 matches + F)	4 June
UQTC Tuesday Night	7 to 9 pm	2 players (any gender)	1 singles & 2 doubles	3 players	Wednesday 28 February	13 March (10 matches + F)	5 June
BNTA Wednesday Night	7 to 9 pm	2 players (any gender)	1 singles & 2 doubles	3 players	Wednesday 28 February	14 March (15 matches + S/F + F)	10 July
UQTC Thursday Night	8 to 10 pm	2 players (any gender)	1 singles & 2 doubles	3 players	Wednesday 28 February	15 March (10 matches + F)	7 June

* Quotas apply for all competitions. Therefore, some competitions may fill up before the designated closing date for entries.

† This is the number of people who play in a match. There will be more people than this in the team. A roster will apply.

This is the number of people usually allocated to a team. See 'Team Selection Policies' overleaf.

N.B. ALL NEW FIXTURE MEMBERS MUST ATTEND A GRADING SESSION - no pre-registration is necessary to attend a grading session

Monday 26 February 7 pm to 9 pm

Wednesday 28 February 7 pm to 9 pm

Players nominating for Fixtures are making a commitment to play competition Tennis for the UQ Tennis Club for the entire season. Players who pull out mid-season, or forget to turn up for matches when rostered to play, don't just miss out on a game themselves. They let down their own team members & the UQ Tennis Club and deprive their opponents of their fair share of matches.

The timeline is very tight, so applicants will probably get just a few days' notice before the start of each competition. Therefore, take note of the starting date and make sure you are available for the first match. Everybody will be sent a Teams List, Fixture Draw and Rules Summary by e-mail. Because not everybody will have supplied a valid e-mail address, it is important that the players, who do get the e-mail notification, contact the other members of their team to organize who will be playing in the first match.

One player in each team will be designated as the Team Captain. The Team Captain is the contact person for the team and his/her phone numbers will be listed in the Fixture Draw. The Team Captain is responsible for organizing a team for each week and ensuring that everybody gets their fair share of matches. Most teams use a roster system. The Team Captain also has to collect the season's supply of balls and result cards at the start of the season and make sure that the team playing each week has a can of balls (away matches) or result card (home matches).

Because of the high demand for places in UQ teams, it has been necessary to develop procedures to ensure that all applicants are looked after fairly and equally and are placed in a suitable team.

Nobody will be included in a UQ team unless all fees and a signed application to join the UQ Tennis Club are received. One person lodging a form and listing a group of people he/she wants to play with will not result in those other people being included unless they lodge their own forms and pay their fees.

Requests to play together will be considered but cannot always be granted. Players of a similar standard will generally be able to play together provided they ask to play with each other. Players A and B will probably not end up in the same team if Player A asks to play with Player B but Player B does not ask to play with Player A. However, because of the numbers that apply for a particular competition, it will sometimes prove impossible to grant all requests to play together. For example, in a Pairs competition where there are only enough courts available to field 30 teams, a maximum of 90 players can be accommodated (with 3 players per team). However if there are applications from 40 pairs and 10 individuals, 10 of the pairs will have to be split up to form the 30 teams of 3 players each.

Off-campus home courts will not be used. This means that all UQ Tennis Club teams will have home courts at UQ. UQ teams in BNTA Fixtures may still have to travel anywhere in Brisbane for away matches.

Players will be requested to nominate their preferred alternative competition should their first choice be over-subscribed or there are not enough players of the appropriate standard. Applicants who do not nominate an alternative, or nominate alternatives that are over-subscribed, will miss out if their chosen competition is full when their application is received (in which case, fees will be refunded).

Late applications will only be accepted where there are shortages or where vacancies arise after the season begins.

Players are not entitled to a refund after teams have been finalized and registered with the Fixture associations (or the draw completed for Internal Fixtures). With the optimum number of players per team, anybody pulling out can cause havoc unless there are some late applications to fill the vacancy. Players pulling out because the Club or Fixture association grading committees didn't put them in the grade they think they should be playing will not get a refund and future nominations from them will not be accepted. In extenuating circumstances, the Committee may approve a partial refund (e.g. where somebody is transferred or seriously injured before playing any matches).
